(c) what would be its production capacity in terms of number of tractors proposed to be manufactured;

(d) what would be its likely market price;

(e) whether it would be manufactured in public sector or private sector; and

(f) whether any subsidy would be provided directly to the farmers to purchase these tractors; if so, the details thereof?

THE MINISTER OF STATE IN THE DEPARTMENT OF AGRICULTURE AND COOPERATION IN THE MINISTRY OF AGRICULTURE (SHRI NITISH KUMAR) (a) No, Sir. Small tractors are already manufactured in the country. The existing manufacturers as per the present policy can manufacture any model of tractor within their licensed capacity.

(b) to (e) In view of reply to Part (a) the questions do not arise.

(f) Yes, Sir. A proposal is under consideration for a subsidy of 30 per cent for purchase of small tractors below 18 PTO Horse Power and their ancilliary equipment with a maximum limit of Rs. 30,000/- per tractor set to farmers of between 4 to 8 acres. The amount is proposed to be used from the existing crop schemes for a limited number of cases.
